Congratulations to the WHS Winter Winds. The band members capped off their inaugural season with a fine performance at the Winter Winds State Finals. The WHS Winter Winds earned the Bronze Medal.

The band members really worked hard throughout the season. Their scores moved constantly upwards and the comments from the judges were always favorable. Thanks for your effort and cooperation!

It’s that time of year again, and Pennies for Patients is HERE! Pennies for Patients (a competition hosted by your very own Student Government) is a school-wide fundraising event that raises money for the Leukemia & Lymphoma Society, whose mission is to cure leukemia, lymphoma, Hodgkin's disease, and myeloma, and to improve the quality of life of patients and their families.

March 11 to Friday, March 22, you and your fourth period class will be competing to see who can collect the most change (pennies, nickels, dimes, quarters, etc.) to support this cause. But, here's the catch: other classes are allowed to "bomb" or take away your points by placing dollar bills instead of change into your Pennies for Patients box, so be on the lookout for some friendly competition and start collecting your pocket change now!

**ATHLETICS:**

Boys Varsity Track scores 0 points at meet at HSR Qualifier. The boys track team competed in the Lawrence Central Qualifier on Saturday, with some of the performances solidifying the qualifying ranks for the HSR Finals. The 4x200 relay of Cooper Boehm, Alex Kukura, Mason Piening, and Francis Agbo, as well as the 4x400 relay of Calvin Grenda, Justin Homberg, Mahamat Djour, and Kukura both won their events and improved their seeding for next week's championships. In addition, Joe Barnett had an outstanding 3200 race, breaking 10 minutes for the first time in his career.

Agbo and Grenda ran well in the 60 and 60 hurdles respectively, but both currently sit outside the top 24 required to qualify. Also improving performances, but not cracking the top 24 were Jacob Netral and Colin Caldwell in the shot put.

Also running well in the DMR and 4x800 relays that have already qualified were Jacob Beene, Max Gutwein, Josh Springborn, Robby Bogdajewicz, Tyler Smith, Joe Harris, Noah Douthit, and Samuel Novak.

The indoor season will end next Saturday at Gladstein Fieldhouse in Bloomington at the HSR Finals, the de facto indoor state championships. Participating in the event as a result of achieving one of the top 24 performances in the state, is the 4x800 relay (ranked 7th), Cooper Boehm in the 60 hurdles (8th), the 4x200 relay (11th), the Distance Medley Relay (15th), and the 4x400 relay (16th).

The team is also in action on Thursday, with a dual meet against Brownsburg at Riverview Health Stadium.
