

2019-20 All Aboard Service and Fee Matrix

The matrix explains the Plans available. An annual \$175 registration fee* is due with enrollment. Please make check payable to Westfield Washington Schools. The registration payment is non-refundable once placement is determined. Your check will be returned if your child is not placed. Children enrolled in 2018-19 TOTS attending the full time plan will receive priority placement first into the 2019-20 All Aboard as full time enrollment. Children new to the programs with full time enrollment will receive second priority consideration for placement, **and new or returning children who submitted enrollment in the Readiness Plan (part time plan) will be third priority consideration through the lottery selection.** Enrollment is limited at all elementary buildings. Families may request a specific elementary school during the enrollment. Location will be determined during lottery placement based on enrollment space. Student Support Programs Director will make the final decisions through the lottery selection. The 2019-20 All Aboard lottery selection is Monday, March 4, 2019 with families receiving enrollment status notification by Friday, March 8, 2019.
