

2019-2020 TOTS -- Infants Service and Fees Matrix

Westfield Washington Schools TOTS Program provides several options for childcare based on the family needs. These options are explained in the TOTS matrix below. Both TOTS and All Aboard require an annual \$175 registration fee per family which is due with enrollment (*check payable to Westfield Washington Schools*). This registration fee is non-refundable once placement is accepted. Enrollment is limited in each classroom and will be filled by priority returning WWS employee full time families first. WWS employees new to the TOTS program who have submitted School Year Plan enrollment will receive second priority consideration through the lottery selection. TOTS infant enrollment is not open to WWS families. Once enrollment is accepted, we require a commitment to remain at full time status until January 1, 2020 or 20 weeks from the child's start date. A 10% sibling discount on the older sibling's fees for the TOTS and/or All Aboard Program is provided.
