

2020-2021 TOTS -- Preschool Service and Fees Matrix

Westfield Washington Schools TOTS Program provides several options for childcare based on the family needs. These options are explained in the TOTS matrix below. Both TOTS and All Aboard require an annual \$175 registration fee per family which is due with enrollment (*check payable to Westfield Washington Schools*). This registration fee is non-refundable once placement is accepted. Enrollment is limited in each classroom and will be filled by priority with returning WWS employee children enrolled in the School Year Plans first. WWS employees new to the TOTS program who have submitted School Year Plan enrollment will receive second priority consideration for placement through a lottery selection. If space allows in the Preschool classroom, we will fill by lottery from School Year Plan enrollment from WWS families with older children enrolled as WWS students. Lottery selection will be Thursday, February 20, 2020. Families will receive enrollment status notification on or shortly after Monday, February 24, 2020. Once enrollment is accepted, we require a commitment to remain at full time status until January 1, 2021 or 20 weeks from the child's start date. A 10% sibling discount on the older sibling's fees for the TOTS and/or All Aboard Program is provided.
